## Native app developer

Milatronics Private Limited, Cell No:+91 9182566321, Vijayawada, Andhra Pradesh.

### Job details

Job type: Internship

Location: On-site IITH

Education: Any field with the required knowledge and skillset

Salary: Performance based salary

Work tenure: 2 months

Benefits: LOR, Internship completion certificate

### Full Job Description

The selected intern's day-to-day responsibilities include:

1. Support the end-to-end delivery of app features by using the latest architecture, design patterns, and writing secure and performant code
2. Develop, release, and maintain Android applications and oversee mobile application development efforts
3. Deliver across the entire app life cycle, design, build, deploy, test, release to app stores, and support
4. Work directly with developers and product managers to conceptualize, build, test, and release products
5. Work on bug fixing and improving application performance
6. Discover, evaluate, and implement new technologies to maximize development efficiency
7. Optimize performance for the apps and keep up to date on the latest industry trends in mobile technologies.

Perform all other duties as assigned by the Management.
