Native app developer

Milatronics Private Limited, Cell No: +91 9182566321, Vijayawada, Andhra Pradesh.

Job details

Job type: Internship

Location: On-site IITH

Education: Any field with the required knowledge and skillset

Salary: Performance based salary

Work tenure: 6 months

Benefits: LOR, Internship completion certificate

Full Job Description

1. Product Documentation, Story preparation

The selected intern's day-to-day responsibilities include:

- I. Support the end-to-end delivery of app features by using the latest architecture, design patterns, and writing secure and performant code
- II. Develop, release, and maintain Android applications and oversee mobile application development efforts
- III. Deliver across the entire app life cycle, design, build, deploy, test, release to app stores, and support
- IV. Work directly with developers and product managers to conceptualize, build, test, and release products
- V. Work on bug fixing and improving application performance
- VI. Discover, evaluate, and implement new technologies to maximize development efficiency
- VII. Optimize performance for the apps and keep up to date on the latest industry trends in mobile technologies.

Perform all other duties as assigned by the Management.
