

Job Description :-

Qoptars is a drone manufacturing startup incubated at IIT Hyderabad.

A team of young, passionate engineers cum entrepreneurs working towards changing the Indian drone ecosystem.

We are seeking a new graphic designer to join our team. You will be designing a wide variety of creatives across digital and offline media.

We are looking for someone who is good at graphic design & VFX . The intern will be designing different creatives, editing raw footage, adding creative elements as needed and helping the content team with creative graphics .

Required Skills :-

- Adobe Illustrator
- Adobe Photoshop
- Adobe InDesign
- Adobe After Effects
- Adobe Premiere Pro

Schedule :-

- Flexible working hours
- Monday to Friday
- Hybrid work mode
